

Internship

The RCUES has a core team of qualified and experienced faculty and researchers. As part of our Research Projects, we are currently working on a Research Projects mention below.

Comparative Study of Urban Planning Norms in Uttar Pradesh ,Madhya Pradesh ,Bihar with respect to Town Planning Schemes of Gujarat.

Assessment of Property Tax Revenue collection before & after implementation of GIS technique in Urban Local Bodies: A case study Lucknow, Kanpur,Agra, Varanasi, Allahabad and Ghaziabad.

In regard to the research studies we are offering Internship Opportunities for Post Graduate Level Students of your esteemed Institution. The selected interns will engage in an urban sector learning capstone experience as part of their stay with us as interns. This real-life experience will allow students to gain practical experience with the theories and issues which they encounter in their classes, while offering a valuable service to the urban communities.

The internship is designed to help students achieve their curriculum goals and get hands-on experience in research projects. However, there will be no remuneration for the internship but the TA/DA during the field visits for data collection will be borne by Regional Centre for Urban & Environmental Studies (RCUES), Lucknow. Upon successful completion of their internship they will be awarded an Internship Certificate for their contribution. Two posts are available for Internship in the Research Project for a period of 3to 6 months each studies.

Eligibility

- Post Graduate or pursuing master's degree in Architecture/ Planning from a recognized Institute.
- Knowledge of Data Collection and analysis.
- Experience related to GIS will be advantageous.
- Have good communication skills
