

INTERNSHIP OPPURTUNITY

The Regional Centre for Urban & Environmental Studies (RCUES), Lucknow was established in the year 1968 by the Ministry of Housing and Urban Affairs (earlier referred as Ministry of Urban Development), Government of India. It is one of the premier Centres in the country established to play a positive role in the field of urban management. The key activities of the Centre includes Training, Capacity building, Research, Teaching, Consultancy Services and dissemination of information relating to the Urban Sector. The centre provides its expertise, advisory services & consultancy services to urban local bodies all over the country.

As part of our Research Projects, we are offering Internship Opportunity for the Post Graduate Level Students of your esteemed Institution. The selected interns will be engaged in an urban sector learning experience as part of their stay with us as interns. This real-life experience will allow students to gain practical experience with the theories and issues which they encounter in their classes while offering a valuable service to the urban communities. The internship is designed to help students achieve their curriculum goals and get hands-on experience in research projects. Upon successful completion of their internship they will be awarded an Internship Certificate for their contribution.
