DO No. K-16011/24/2017/AMRUT-II/E.No.3129890  
12 January, 2018

As you are aware several reforms, as contemplated in AMRUT guidelines, have been implemented during first two years of the Mission. The Government of India has also released Rs. 400 crore and Rs. 500 crore to eligible States and UTs for implementing reforms under Atal Mission for Rejuvenation and Urban Transformation (AMRUT) during 2015-16 and 2016-17 respectively.

2. It is imperative to study the impact of these reforms on ground in order to strategise and finalize the next set of reforms. Ministry of Housing and Urban Affairs has therefore, decided to conduct a third party evaluation of reforms implemented by the States/UTs in 2015-16 and 2016-2017 and has entrusted this task to National Institute of Urban Affairs (NIUA). For this purpose NIUA will also take the help of various Training Entities, empanelled by this Ministry for capacity building activities. This evaluation study has to be completed within a month.

3. The team members would be required to conduct city visits for on-site/field verification of the reform milestones. They would also collect necessary documents from respective State and ULBs and conduct validation and analysis of reforms undertaken. NIUA will prepare standard formats for field verification, online verification, verification of documentary evidence and finally submit report to the Ministry.

3. For smooth conduct and completion of this assignment, you are requested to instruct concerned officials to extend full support and cooperation to NIUA/Training Entities so that this assignment is completed within the time frame.

Yours sincerely,

(Vinay Pratap Singh)
